## Prathishta and Ulsavam

[Grand Installation of Deity and Temple Festival]

“Darshanam No Didrikshoonam  
Dehi Bhagavatharchitham  
Roopam Priyathamam Swaanaam  
Sarvendriya Gunanjanam”

As a result of the prayers of all devotees, our Lord Guruvayurappan is appearing in front of us in the form of a Bimbam (sculpture statue), and to invoke this super power into our Temple by Kalasam, super rituals of Prathishta (installation), priests who have dedicated their lives to conduct poojas and rituals of these types will be arriving from Kerala along with Temple percussionists to join our most learned, respected, and experienced Thanthri, Brahmasree Divakaran Namboothiri (our Thirumeni).

It will be a unique experience and feeling as if we are in a wonder land of divinity with all those sounds of chantings, rituals, Poojas and percussions. These two weeks, beginning from July 3rd to July 16th 2019, will be a very rare opportunity and blessings for us Indo Canadians who are able to attend the grand Prathishta and Ulsavam (Temple festivities).
